Foreword

In our school life few things play as important a part as does our school song. Our teams are urged on to victory, and teachers and pupils are filled with pride when it is sung.

It was adopted from "Saint John's March" from Saint John's University in Maryland and was first printed in the 1939 PEANUT.

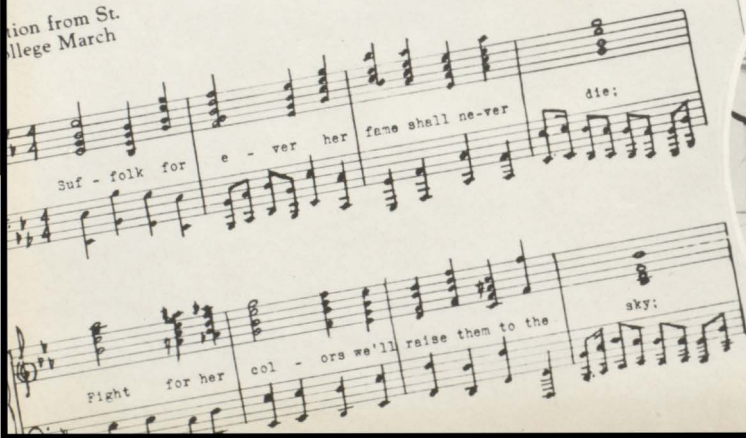

We feel that music plays a major part in every student's life. What could be more appropriate or fitting than something we all enjoy and like as the theme of our yearbook?

It is with this thought in mind that we present the 1950 PEANUT and as its theme "Suffolk Forever."

Miss Marguerite Bell

Dedication

Remember when you were in Junior High, how scared you were and how wonderful "that English teacher" was? Our first year in high school somehow seemed easier and less terrible after one day in her class.

Besides being a real friend, she gave us a firm foundation for our studies and started us on the road to be good students of whom S. H. S. could be proud.

We dedicate the 1950 PEANUT to Miss Marguerite Bell with a deep sense of gratitude for all she has given us.

So dear to

The peanut trucks tell us that Suffolk's crop is rolling in and another profitable season is on the way. We think it only fitting that we honor "King Peanut" because of

the important part he plays in all our lives. From him we get the title of our school paper, "The Peanut Picker," and our annual, THE PEANUT!

From the Nansemond River to the Carolina Highway lies Suffolk, Virginia, the world's largest peanut market, home of S. H. S., and a pretty wonderful city. For strangers, there is a friendly welcome and for old-timers, the steady warmth of many friendships.

Maybe we won't admit it, but old Suffolk has much to offer. There's "Luck's," our hangout, recreation facilities, and the good old Nansemond for the river-rats. As another advantage, there's Suffolk High, whose activities all Suffolk citizens support with interest. Many improvements are coming, changing the surface of our fair city, but underneath it's the same—it's Suffolk, Virginia!

A crash — then in unison the cry "Ten Cents" splits the air. Stay loose, don't panic, it's just the ritual at "Luck's." Somebody broke a glass. Approximately one thousand steps from S. H. S. is "Luck's," otherwise known as Russell's Confectionery, where all the cats meow and chat. Let's go to "Luck's!!!"

my heart

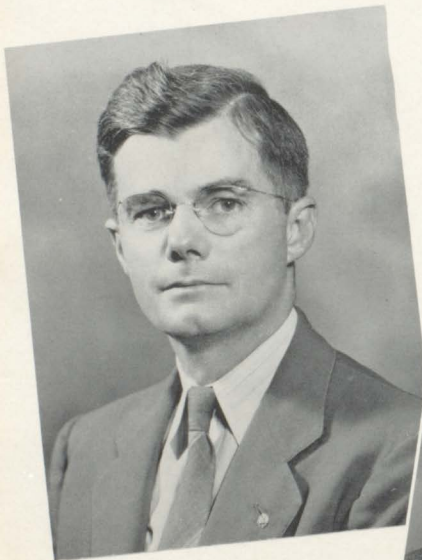

Here is the city hall, location of our police force and the newly-formed Boys' Club. It's the center of many athletic activities, including pep rallies staged by S. H. S. students.

The body that keeps S. H. S. a wonderful school is the School Board. To them come problems of both students and faculty. These are always solved with our well-being at heart. Surely, they deserve much praise for the never ending efforts to "give their best for the good of all."

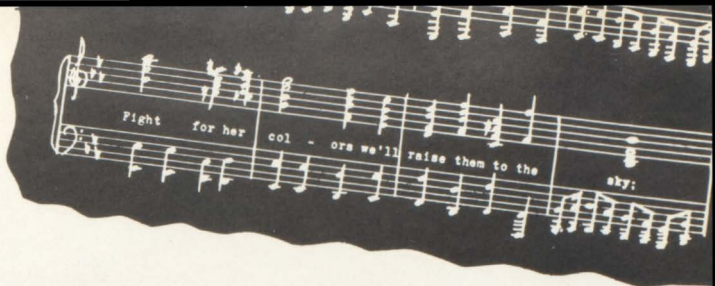

The big wheels roll

In the short time that Mr. Richardson was our principal he won deep respect from both faculty and students. Just as the annual went to press, he announced his resignation to accept the position of executive secretary of the Virginia High School League. We take this opportunity to thank him sincerely for his services and to wish him all the best in his new work.

One who has been a friend and counselor as well as our principal for six years is Mr. Savage, or "Doc," as we students fondly, but respectfully, call him. It seems only proper that one so capable should rise to the higher position of Superintendent of Schools. We also feel that our loss is all Suffolk school students' gain.

There's music in the air

If you happen to get to school early one morning and peep in the office, you're liable to see — well, plenty. There's Miss Lilly trying desperately to "wait on" everyone at once; Miss Yates displaying her latest masterpiece; Mrs. Taylor shooting that eye-brow up around her hair-line; Cap'n Art convulsively listening to the many excuses offered by students; Miss Brinkley planning her tactics of the day for the capture of Mr. Crocker; Mrs. Lipscomb fussing over her Thetamore English Class; Miss Basler going mad over her next edition of the "Peanut Picker"; and Miss Pruden totaling-up S. H. S.'s bank account. Yep, it's the faculty!

Mr. Molinari has organized a choral class to train voices in group singing. This class takes the place of the Glee Club. They meet five times a week and are a very popular group in S. H. S.

At first glance this class seems to be full of hot air. Not so, it's just our quiet Mr. Crocker as he manages to teach his students about atomic fission and the law of gravity.

Miss Cottam finds time to read a magazine because all the students have at last found something to do. That couldn't be our library, you say? Yes, it is, and this picture should be proof positive! If you need a quiet place to study, just go right down, and Miss Cottam will fix you right up.

One of the vocational courses offered at Suffolk High is Office Training with Miss Basler, as teacher. The girls are taught to take care of an office, applying the use of dictaphones, adding machines and other office equipment.

*Among - very well known
to many "Miss Taylor"*

The geography class, while studying a unit in transportation, displayed various means of transportation through the ages. Looking at the exhibit in the trophy case are Billy Higginbotham, June Manlove, Mary Hundley and Andy Maxey.

Mickie Baines demonstrates the use of one of the many machines used to make "shop" the truly interesting course that it is. He is buffing metal to a high polish.

"Will **You** sell concessions Friday night?" Thus spake our Senior Class President not once, but many times as he got "Cheerful Volunteers" for this job. It was fun, though, and an experience all who worked will **never** forget! The mad rush at half-time, the ice-cold bottles, cold hands, and of course, our dear sponsors, Mrs. Lip. and Miss B. shouting for faster service, are just a few of the things we connect with our senior concession booth and our wonderful last year at S. H. S.

Pictured at the right are our two Senior sponsors, Mrs. Willard Lipscomb and Miss Virginia Brinkley, while in the picture below are the officers of the Senior Class: Benny Norfleet, president; John Carver, vice-president; Carol Brown, secretary; and Elmore Saunders, treasurer.

Our pride

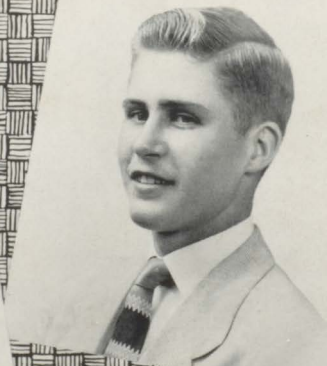

Anita Belle Bagley has been an annual worker for four years. She was Editorial Secretary last year, and she and Betty Benton are Co-editors of this year's PEANUT. She has also been active in dramatics.

Much responsibility is connected with Lloyd Hines's job, Ways and Means Committee Chairman. Besides four years of Student Senate work, Lloyd is Monogram Club President and a member of the track and football squads.

Junior Class President, Junior Tri Hi-Y President and Business Manager of the PEANUT are just a few of Betty Birdsong's activities. She is a sports enthusiast and is capable of any job she may undertake.

Tommy Hines is Editor of our wonderful new "Peanut Picker," President of the Wranglers' Club and a faithful Hi-Y worker. Serving S. H. S. is his main objective, and we certainly think Tommy is an outstanding senior.

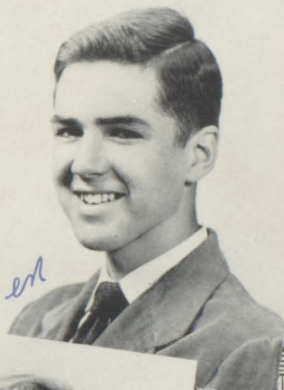

and joy

A high scholastic average coupled with a pleasing, capable personality won Carol Brown the positions of Junior and Senior Class Secretary and Student Senate Secretary. She is willing to work and liked by all.

Few people have served S. H. S. as faithfully as Martha Crocker, our Student Senate President. She has been a Hi-Y worker, representative to Girl's State and has excelled in sports and her studies.

The busiest boy in school is Benny Norfleet, our Senior Class President. He is Assistant Editor of the "Peanut Picker" and has been President of the Band since its origin. He is an apt pupil and a hard worker.

The demanding job of Building and Grounds Committee Chairman fell to Elmore Saunders this year. He has held the offices of Junior and Senior Class Treasurer and Monogram Club Secretary. He is active in basketball and was the captain of the football team this year.

SENIOR CLASS OF 1950

Code of Ethics

Preamble

I am proud of the opportunity of being a student at Suffolk High School — proud because of its fine traditions, its noble past, and its great reputation. I realize that I am able to enjoy my school's rich heritage because many students in previous years have given their best to make her great. I realize, further, that if she is to remain great and become strengthened through the years, students like me must be willing not only to do their part but to give their best.

Code

In keeping with my determination to fulfill my obligation to my school, I resolve:

1. To be courteous and considerate of my teachers, of my fellow students, and to visitors at school at all times, showing them proper respect by refraining from insolence, snobbishness and other forms of discourtesy. I will also refrain from unbecoming behavior in the auditorium and library.
2. To avoid every form of cheating and dishonesty pertaining to school work, possessions of others, statements that I make, absence from school and classes, and to discourage others from performing dishonorable practices.
3. To do my very best to obey every law, rule, or regulation of my school, reserving the right to criticize these regulations constructively, but respecting them so long as they prevail. This includes my determination to:
 - (a) Observe traffic regulations in the halls
 - (b) Refrain from yelling, whistling, and loud talking in the halls
 - (c) Observe the rules of smoking and drinking on school property
 - (d) Practice my religion not only at school but at all times, respecting the beliefs of others whatsoever their religion be
 - (e) Obey dance rules
 - (f) Be tardy and absent only when absolutely necessary
4. To uphold my school's reputation in sports by displaying clean sportsmanship as a player, a spectator, a cheerleader, or as a participant in any gymnastic activities, showing myself at all times to be a fair winner and a good loser.
5. To show pride in my school by keeping her grounds and buildings unmarred.

In conclusion, I will remember that I am, or once was, a student of Suffolk High School, and, as such a representative, I will strive to conduct myself in a manner fitting to win her glory and esteem.

1. Our campaign managers were really on the job.
2. "Apprentice" Hines takes over for the Peanut.
3. The backbone of our TTT (Terrific Track Team).
4. Big and Little "Hollywood" have just returned.
5. They got Polio on the ladder and things started shaping up.
6. The Big Four seemed kinda worried, but our boys came through.
7. Typical of the confusion 'afore the "49'ers Ball" (double exposure Maxey).

At last!

Senior Day! Magic words that begin the round of parties, dances and general gayety that is always associated with graduation.

Pictured at the top are the Seniors as they march to take their places. Rev. Graham McChesney led the morning meditation. Senior Class President Richard Sykes leads his class

As the class banner is raised, each Senior feels a bit sad, because it is a farewell to S. H. S.

as they leave.

Another high-spot of Senior Day is the Bonfire, at which time many, many books are burned as a sign that school is over. In the last snapshot, Bobby Spivey contributes to the already blazing fire.

"Oh, how we danced — and did we dance!!!"
From "Dixie" to "Stardust" our feet just wouldn't
keep still. "Thar's gold in them thar hills!!"

These "49'er's" made our Junior-Senior a really grand ball. They proved they could dance as well as sing. "Be dog if it don't look like ois "Judy Ellison!"

Enjoy yourself

The flowers have arrived, the banquet was wonderful, and we feel as if we are pretty special to have all this done for us. Yes, it's the Junior-Senior which means plenty of aching backs for the hardworking Juniors who did it all, and lots of fun for the "high and mighty" Seniors. After long months of whispered conferences, the "49'ers" Ball is on its way!!

Our gracious Mrs. Lip. fairly beams, because it really is fun and she knows it, as do we all. Though Junior-Senior Class Presidents, Birdsong and Sykes aren't pictured, we're still a happy lookin bunch, right, Tommy??

Three down, one to go!

Come rain (like the Kempsville game) or shine, the girls from the Junior Class were a every football game selling programs. Also approximately five industrious Juniors sold concessions at the basketball games. All this so that the Juniors could give the Seniors an extra special Junior-Senior.

In these two pictures we see those who guide the activities of the Junior Class: the advisers, Miss Koontz, I. Rushing, and Miss Yates; the officers, Billy Rur, Wood van Valkenburgh, vice-president; Winslow, secretary; and Virginia Mae Lovelace, treasurer.

Flashing hands tell us the Juniors have got their rings. And who wouldn't be proud? This is a high school high-light!

Next year- --- the front steps!

The Eighth grade is no more. Yes, that's right, they have a new name, Thetamores, and are no longer called merely "eighth graders." This snappy little title was given to the first floor students by Mr. Richardson, our principal. It comes from the Greek word, **theta**, which means eight and is very popular with S. H. S. students.

We feel the Thetamores deserve much credit for their new organization, The Dance Club. Miss Marguerite Bell, as their sponsor, has made this a very successful and popular club. The group is also considering a course in etiquette as a good start in high school social life. To future upper-classmen, we say congratulations, and extend a warm welcome to Suffolk High!

In Miss Bell's Thetamore homeroom, our "Jacks of all trades" decorate a tree to give us all the Christmas spirit, something every student had around December 21 — right?

First Row, left to right: Herring, Darden, Russell, Folk, Harrell. **Second Row:** Reynolds, January, Burns, Hill, Bennett, Diamond.

It's not a club. It's not a mob scene. It's not even a picture. Just a shot of all the Thetamores in one group. (Looks like a million of them, doesn't it?) Have fun

while you can, friends; it's a long hard pull up those steps to the third floor and your senior year!

Bulletin boards, dancing, all these interest the Thetamores, who show a keen interest in Suffolk High.

Here's 'Cap'n Lil' as she pays off the Thetamore peanut vendors. These alert young business men netted a nice profit for the Senior Class by selling drinks, in the stands.

We, the people

The empty desks tell us there is a Senate Meeting. This also means our home-room representatives come at eight thirty and are now "in conference" on the second floor. After the meeting, they will give the students a full report of their activities, their plans, and an idea of just what S. H. S. needs. Our Student Senate leaders this year are Martha Crocker, president; J. B. Matthews, vice-president; Carol Brown, secretary; and their adviser is Mr. Richardson. Their fine leadership has proved the merits of our Student Senate.

Things were mighty "hot" around election time as this picture shows. Everywhere discussions were in full force for "My candidate." It was a tight contest and one we won't forget.

To this orderly group falls the task of discussing all business that the Student Senate as a large group could not transact. Now, anybody in Miss Yates' Government class can tell you that this is based on the committee form of legislation. Lloyd Hines is chairman of this hard working committee and Carol Brown is secretary. The other officers and committees are as follows:

Assembly	Betty Benton
Publicity	Nancy Speight
Public Relations	Bobby Trump
Building and Grounds	Elmore Saunders
Athletics	Barbara Hassen
	Van Johnson
Social Affairs	Joe Wiggins
Finance	Julian Goodwin
Clubs	Maxine Parr

Ways and Means Committee Chairman Lloyd Hines and Student Senate Secretary Carol Brown are busily planning big business (or so it appears) for the next meeting.

Shall we pigeon-hole it!

The year in print

Here they are writing, drawing, cussing, and discussing. Yep, it's the annual staff, or you, too, can have fun on Saturday. Come on in, it's fun!!!

"I know all about publishing annuals!!!" "We just won't have one!!" That's our dear "Miss B." as she threatens to stop publication of the annual to stimulate our lazy minds to action. From getting ads to working Saturday mornings, it's nothing but fun and plenty of hard work for all interested. Besides the work, the training is a benefit we will soon realize in later life. "Get busy!" See, she was successful again this year!

Hot off the press!

It's three o'clock, Friday, and here come the "Peanut Pickers!" Editor Hines decided in September to have a really different publication. There are six shorter pages, a new type of paper and printing, and free theater passes in this year's "Peanut Picker." Each paper is sold separately, therefore eliminating the subscription drive held at the beginning of the year. The "Peanut Picker" has won state honors since 1934 and we're sure it will again!

Here's a group responsible for our fine new "Peanut Picker." They spend many many hours working and slaving to give us a little gossip, a little news, and a terrific paper.

Curtain time!

This group of young Thespians has successfully presented the hilarious three-act comedy, "You Can't Take It With You" and a one-act play for state competition.

Much of the credit should go to the faithful friend and director of the Dramatic Club, Miss Reed West. Under her capable direction Suffolk High School's dramatic talent has won high praise for years.

This year, Cecil Gautier led the Dramatic Club as president. Barbara McClenny was vice-president. The job of recording the minutes fell to Joan Turner, and Donald Whitley filled the rather "unpopular" position of treasurer.

During the coal shortage, S. H. S. was like a tomb. But, "the show must go on!" and over tramped the cast to a freezing rehearsal. Complete with coats and hats. See?

We lend a hand

Again this year, this club, from which little is heard, has done splendid and inspiring work. They have made favors for the wounded servicemen in the Portsmouth Naval Hospital, entertained these men during the Christmas season, and filled boxes for the needy children of Europe, which is an annual project. These members work with the local chapter of the Red Cross, and Miss Constance Newman is sponsor. Their officers this year are Lois Winslow, president; Betty Ann Holland, vice-president; Betty Bailey, secretary and treasurer. Congratulations to the Junior Red Cross!

Pencils, soap, toys, and plenty of good wishes are the contents of these boxes for the needy. Yet it's all in a day's work for these girls.

Strike up the band!

Remember how we laughed at the assortment of strange noises coming from the Band Room? Remember, too, how proud we were of the Band when they made their first appearance? That pride still prevails every time Suffolk High's Band takes the field at a football game or turns a corner in a parade. They're good and there's no doubt about that!

Many times they've raised sagging spirits with a majestic march or a hilarious feature at ball games. Music adds so much that a game just wouldn't be the same without them.

Don't worry, you folks up in the bleachers weren't the only cold fans. Just check the poor band members. What's the matter, Pat? "Baby, It's C-C-C-Cold Outside!"

One of the many hilarious features between halves was "Childhood Memories" by the band. Their abilities are variety from J. C. in diapers to Jeff as a rabbit. Hang on kids, Cap'n Mulley has just started!

Smile pretty, girls, and step high. Our majorettes are something pretty special. They spend time and energy practicing their routines, make it to drills on time, usually, and always turn out, strutting their stuff!

Look's like fun, as the Top Hatters jitterbug at one of their many fun-fests. Come on, Bill, swing it! Show us how a real live "bug" should be "jittered!"

Chilluns, let's dance!

A newly formed club is the Top Hatters. Their purpose is to encourage and sponsor more dances for our fair school. This year they are sponsoring the ever popular and long awaited George Washington Ball. They meet every Thursday during C period as the other clubs.

With capable leadership of Miss Nancy Rushing, as sponsor; Joe Wiggins, president; Johnnie Howell, vice-president; Barbara Hassen, secretary; and Laurence Vail, treasurer, we are looking for big things from them in years to come. Our hats off to the Top Hatters!

Bicker! bicker! bicker!

The Wranglers' Club this year is not very active; that is, it is a small club, if not the smallest in Suffolk High School, and is interested in literary activities only. They hope to produce a winning debate team, public speaker, and speller to go on to final competition in Charlottesville, and "bring home

the bacon."

Mrs. Burton is the Wranglers' Club sponsor. Other leaders are Tommy Hines, president; Letty Lee January, vice-president; Bill Boyette, secretary-treasurer; and Carol Brown, debate secretary.

Mrs. Burton, Wranglers' Club sponsor, interviews a few of the students interested in debating, public speaking, and spelling, or, the geniuses are at work. Seriously, good luck, friends in your endeavors.

Hot on the range!

Those delicious smells rising from the Home Ec. Department seem almost cruel, especially around twelve o'clock when everybody's starving and the candy machine is "dry." But we take a deep sniff and hope, just maybe, we'll get a taste of those wonderful cookies.

The girls down on the first floor are really getting their training down pat. Some of their work consists of promoting better family relations, giving a banquet for the mothers and entertaining other F. H. A. members at a Spring Rally. This year they have chosen as their theme "The Importance of Wholesome Recreation."

Officers of the club are Joan Earley, president; Billie Crumpler, vice-president; Lois Winslow, secretary; and Bobbie Green, treasurer.

Here's the source of those wonderful odors. With a new gas stove these gals can really go to town with brownies, cakes and pies. And just don't we wish there was enough to go around? Please give us some cookies!!!

Laurence seems to be engrossed in this talk he and Miss Jarvis are having. What's this? Oh, No! Laurence: "Miss Jarvis, please buy a chance on this radio we're giving away!" Yes, Laurence is president of the Distributors' Club.

Proves work is fun

A club quickly growing in popularity, interest, and members is the Distributors' Club. Many students realize that a study of the field of distribution can be not only interesting but also helpful. Members are taught the basic steps of good salesmanship and the development of a keen interest in the organization for which they work. Their leaders this year are, Laurence Vail, president; Wilson Barnes, vice-president; Elmore Saunders, secretary; Angeline Mitchell, treasurer; and Miss Jarvis, sponsor. Of course, there are many other aims and purposes of this club too numerous to mention here, so we'll say "Happy Sale-ing" to the Distributors' Club of Suffolk High School.

First Row, left to right: Barnes, Vail, Saunders, Miss Jarvis, Bristow, Hicks, Gautier. **Second Row:** Carver, Nelms, Trower, O'Berry, Mitchell.

We live . . .

This year, as in previous years, these friendly and helpful girls have continued to uphold their high aim to create, maintain, and extend throughout the school and community, higher standards of Christian character. During the Christmas season, under Miss Yates's supervision, they spent much time and energy repairing old toys and collecting food and clothing to aid the Salvation Army's Christmas program. They have taken up Bible study as a special project this year and are also selling clothespins to aid the treasury. President of the club is Catherine Blair; vice-president, Angeline Mitchell; secretary, Betty Birdsong; corresponding secretary, Betty Jean Smith; treasurer, Nancy Speight; and sponsor, Miss Gladys Yates.

Here's "Santa's workshop" and just a few of his helpers. This year, Christmas seemed to be more fun because we all helped make it so for others. S. H. S. really had the Christmas spirit.

Under the leadership of Mrs. G. Warren Taylor, the club has many new projects this year. Shirley Saunders is president; Betty Bailey, vice-president; Ada Brinkley, second vice-president; Jackie Marshall, corresponding secretary; Elizabeth Rountree, treasurer; and Betty Brinkley, chaplain.

When we presented the toys to the Salvation Army, who was on hand but Santa Claus! And the Hi-Y clubs were thanked for their efforts by Capt. Johnson and by Santa himself.

We learn . . .

With no sponsor, the Boys' Hi-Y has become quite dependent on themselves this year, and have proved that they can do fine work with no help. They helped repair toys at Christmas time, and have originated the "hep" dances after the lunch recess on Tuesdays and Thursdays. These are held in the gym and records make the orchestra. It's nice.

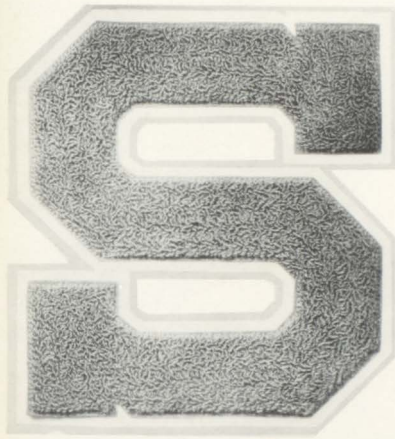

Special commendation should go to Harold Sadler, able president of the club. Other officers are Bobby Brown, vice-president; Cornelius Blair, secretary; Billy Harrell, treasurer; and Bobby Little, sergeant-at-arms.

Looks like "Senator" Sadler can paint, too, as the Boys' Hi-Y aids in the Christmas project for the Salvation Army. We're mighty proud of our fine "artists," and don't they look sweet in their smocks?

Be a sport!

Evidently the males of the Monogram Club have felt the need for the "feminine touch." Anyway, membership now includes the cheerleaders. As you know, it is an honorary organization for students who hold a letter in sports.

They have constantly striven to raise the standards and create more interest in sports. "Cap'n Dick" is their sponsor and one who has an inside track on sports, don't you think? Lloyd Hines is the Monogram president; Billy Harrell, vice-president; and Elmore Saunders is secretary-treasurer.

We gotta school, and we gotta yell!

"Your pep, your pep!"

"You got it, now keep it!"

And pep is something our cheerleaders do have. They are always on their toes at a pep rally or at a ball game with a loud cheer for our boys. The group itself has better precision this year, and their improvement is very noticeable on such yells as "Step On The Starter."

With the addition of the Junior cheerleading squad, Suffolk High's "All girl squad" has become a very popular group. On two occasions they were asked by the Kiwanis Club to represent Suffolk on their float. At the Franklin Bicentennial and at the annual Oyster Bowl game in Norfolk spirits were high as our sharp gals passed in the parade.

Left to right: Darden, Benton, Saunders, Crocker, Cutchin, Chapman, Crumpler, Andrews, Brothers, Hundley, Mountcastle, Ellis.

Pictured are just a few of our football team's loyal supporters. Looks like a mighty tense moment. From the grandstand comes an ear-splitting cheer, which sends our boys off to give S. H. S. another victory.

"Who is the band member singing the solo?" "That's no band member, mother, that's Cap'n Mulley!" As the cheerleaders look on, the Maestro demonstrates his skill, and proves that he, too, can sing a wicked solo.

From many Theismore and Freshman candidates, Rita Diamond, George Ann Reynolds, Harriett January, Sandra Deshields, Janet Jackson, Anne Harris, and Carroll Godwin were chosen to serve as Junior Cheerleaders. At all of the Junior Varsity games these girls showed spirit and an excellent ability to cheer.

As soon as they decide they will let you in - I know you will be the same as the other Art

Team work in coaching is just as important as team work in playing the game. That's the kind of coaching the Red Raiders receive from Lewis R. White and Arthur Jones. Cap'n Dick has produced a championship team every year since he took over the helm. His assistant "Art" Jones, a former S. H. S. football star, works with the back field while White brings the line into shape. Together they bring out the quality of play and the sportsmanship of the players so necessary to produce championship teams. Their ability along with their friendship and understanding holds the respect of each Red Raider!

Champions five years straight

The Red Raiders have again had another successful football season! Suffolk High whose team was heavy but slow used the two-team platoon system throughout the season to walk away with the District Championship for the fifth straight year. There weren't any stars on the team because each player gave his best and played as a unit.

In their opening game Suffolk "swam" to an easy 44 to 0 victory over Kempsville. The Raiders scored on the first play and were never headed, as a heavy downpour lasted throughout the game. In their second contest Suffolk defeated a stubborn Great Bridge team by the score of 28-0. The Raider eleven suffered its first and only loss of the regular season to Norview, 13 to 7. Their

Group I foe cashed in on "breaks" to score their touchdowns in a cleanly played game.

Suffolk returned to its winning ways by defeating South Norfolk, 20-6. The next game with Frederickburg ended in a scoreless tie, but the last five on the schedule were victories for the Raiders: the fourth conference win over Churchland, 39-6; a non-conference victory over Cradock, 20-7; the 38-0 win over Mathew-Whaley which clinched the championship; the defeat of the strong Group I Warwick team, 7-0, in the best played game of the season; and the last victory over Harrisonburg, 7-0.

In the post season game Glen Allen defeated Suffolk 19-0 for the Sectional Group II Championship.

A blocking back — that's J. B. Matthews, the key man on most of the plays. J. B. did this job well. Poor opponents at the end of each play!

An offensive tackle, Allen House didn't have too many chances during the game to show his aggressiveness on defense. During the Harrisonburg game he blocked a kick to set up Suffolk's winning touchdown.

Small but powerful, Deno Diamond proved he could play in the line. Instead of going through the other men he often went under them.

Co-Managers of this year's outstanding team were Bobby Floyd and Jack Chapman with their able assistant, Donald Whitley.

Red Raider captain this year was Elmore Saunders. Although a tackle he scored several touchdowns from blocked kicks and fumbles. Elmore was chosen by the Suffolk Legion as the year's most valuable player.

Another offensive guard is Bobby Trump, whose hard work and dependable blocking paved the way for the backs. Trump is one of the tri-captains with Rundio and Matthews for the 1950 season.

One of the most alert players on the defensive team is Van Johnson. Because of his speed, Van intercepted many passes for long run backs to set up touchdowns which enabled us to win close games.

Billy Harrell's regular and steady play earned him a starting position as offensive guard on this year's team. Always lighter than his opponent, he got the jump on him by moving fast and outriving him.

Playing an offensive tackle and very well at that is Fred Harrell. His steady line play proved to be an important clog in our offense.

Billy Rundio is the hard smashing backer-up on defense, and when called upon, a capable blocking back. When it seemed that the opposition was going through a hole, Rundio met them there to stop the play.

Making his last season the best, Tony Diamond on many occasions was the fifth man in the opposition's backfield. Fast and shifty on his feet, he caused many a headache for the opponents.

On, team --

Tall and lean is Joe Wiggins at defensive end. His ability to turn end runs in and to meet the backs at the line helped to contribute to the success of the defensive line.

JUNIOR VARSITY SQUAD

First Row, left to right: Hayes, Matthews, Ellis, Carter, L.; Williams, Carter, M.; Blair, Richardson, Quimby.
Second Row: van Valkenburgh, Crocker, Birdsong, F.; King, Annas, Higginbotham, Barrow, Brooks, Blanchard.

Third Row: Rose, Rountree, Birdsong, B.; Nelms, R.; Quayle, Eason, Constant, Salmon, Harris, Nelms, B.
Fourth Row: Holland, Mgr.; Draper, Hunter, Turner, Kerpelman, Harrell, Russell, Mitchell, Gillcrest, Harry.

Charles Bradshaw carried most of the offensive load on his shoulders with running, passing, and kicking. His ability to perform these feats well made him a threat on every play.

Sully Culpepper is a defensive guard who always played a smart and spirited game. He's hard, and consistent playing made him a valuable member of the team.

Just one hundred and thirty-five pounds but tough as nails and an excellent broken field runner is Bill Ellis. On reverses the opposition either couldn't see him because of big men in front of him or couldn't catch him because of his speed.

Nicknamed "Hamhands" because of his large hands, James Bradshaw performed an excellent job at offensive end as a reliable receiver and a hard blocker.

Very reliable at end on offense was John Carver. Not too many spectators realized his importance as d'd the coaches. He was a good blocker and an excellent receiver.

Raiders!

Henry Cross, though listed as wing back, excelled at defensive halfback. His timely tackles saved Suffolk from being scored on many a time.

A veteran of several years, Melvin Poulson's hard and earnest work enabled him to make his last year his best. A shifty and fast runner, Poulson kept the opposition on their toes throughout the game.

Tommy Hines was used as center on offense and defense. In the Fredericksburg game Tommy intercepted a pass and set up a potential touchdown in the waning minutes of the game which ended in a scoreless tie.

A player listed as a back on the program but never seen on the field in that capacity is Lloyd Hines. He kicked the extra points which often meant the difference between victory and defeat.

Johnny Howell was a defensive center, backing up the line. His hard tackling and assistance to others stopped many plays for losses or short gains.

Fight!

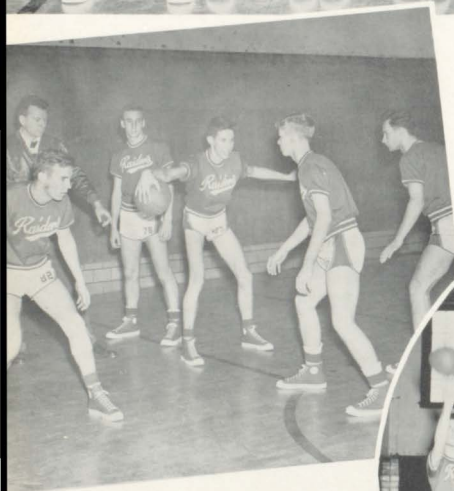

Starting the season at defense, Perry Duke was shifted to offensive full-back because of his ability to rip into the enemies' forward wall for consistent yardage.

A stand-on an offense at center was Melvin Babb. His constant and reliable work along with his ability to carry out assignments opened many holes over center for our backs to go through for valuable yardage.

First Row, left to right: Little, R.; Rundio, Bristow, Pond, Ellis, Little, B. **Second Row:** Coach Jones, Hayes, Barnes, Bradshaw, J.; Bradshaw, C.; Carver, Umphlette, Manager; Williams, Assistant Manager.

Captain Bobby Pond demonstrates his ability as he "palms the ball." Under "Cap'n Art's" watchful eye, the boys' errors are corrected and the team improved.

Swish! Ten points. From left to right the "goalies" are "Polic" Carver, Captain Bobby Pond, "Choo-Choo" Bradshaw, Wilson Barnes, and "Cotton" Bradshaw.

The Great Bridge boys try mighty hard, but with Pond really stretching and Bradshaw waiting for the ball to fall into his hands, there isn't a thing they can do!

Sombody told Ben to sit tight while he took his picture. This is the result. We think it's funny, too. Cap'n Art seems to think it is, too.

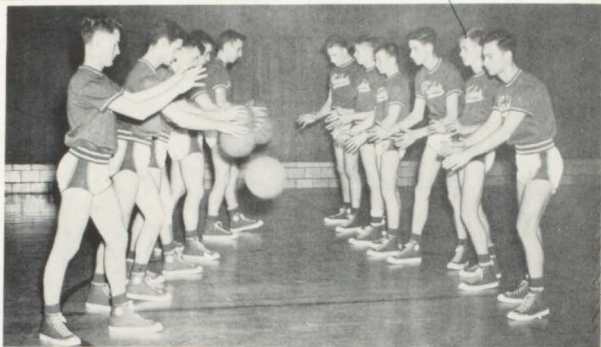

In the general pile-up we find the Bradshaw Brothers, Rudio and Jessie Lee as they "get with" that ball. That one lone Matthew-Whaley boy looks out-numbered.

Let's see now, Polio threw the ball to Charlie; Charlie is shooting; Pond will catch it, throw it to Raymond who will shoot and it's just a vicious circle. They seem to like it, though.

Check the sharp uniforms and the sharp passing in this shot of the "Big Red." Their fine precision comes from diligent hard practice as shown here.

We had a tough schedule

The Red Raiders of Suffolk High had one of the toughest seasons in many a year. Some of their opponents who had never given them any trouble before caused them to play several very close games and a few losing ones. Their first two games were defeats at the hands of Newport News and St. Christopher's. The next three with Stuyvesant, Cradock, and South Norfolk found Suffolk on the winning end. A spectacle of the season was the next contest with Deep Creek when the Raiders romped over them in a 90-28 victory, with one of the subs as high scorer making 20 points. The first conference game lost by Suffolk was with Portlock.

A real thriller was played by Smithfield next. In this game the lead was changed many times and notable was the scoring of Bobby Pond with 24 points to his credit. Matthew-Whaley also presented stiff competition.

With only seconds left to play, M. W. made a foul shot tying the score, and just before the final whistle a field shot, winning 26-24. In the game against Franklin, a newcomer to Group II, Suffolk lost in the race for the District Championship. Other games of the season were wins for the Red Raiders except for a 64-40 defeat at the hands of Elon College Junior Varsity.

The Red Raiders piled up a total 975 points for the season against their opponents' 818. High scorer for the 1950 season was Raymond Little with 219 points.

Winning 13 out of 20 games, the Raiders have made a record of which S. H. S. students are rightly proud.

This year the Raiders, led by Captain Bobby Pond, were coached by "Art" Jones and managed by Ben Umphellette and Jimmy Williams.

Good material in j.v. team

With only three members of last year's squad left, the outlook for the Junior Varsity at the opening of the '49-'50 season didn't seem too bright. After having very little practice, they ventured to Cradock where they lost their first game of the season 51-18. Their next contest was with a determined South Norfolk team who, trailing at half time, came back to beat our Junior Raiders 29-25. Then followed a trip to Norview where the J. V.'s trounced a powerful Group I team 36-22. Next the future Red Raiders traveled to Holland where they battled the Holland varsity to a 40-40 tie. Their next scheduled game was with Hampton which they lost with a score of 34 to 25. The following week the J. V. was host to Cradock whom they hoped to avenge for an earlier loss in the season, but the powerful Cradock team provided too much for them with the Admirals winning 43-35. Possessing a grim determination for victory in their next home game, they routed Matthew-Whaley 48-34. In their last Group II contest of the season they traveled to South Norfolk where they lost 32 to 31.

Writing finis to their season was a ludicrous affair between the men of the faculty and Baby Raiders which ended in a 26-24 victory for the J. V.'s, only after an overtime period, thus making the overall record for them three wins, five losses, and one tie.

The Junior Varsity was ably captained by Bobby Trump and managed by Shirley Rose.

Coach Art Jones has high hopes of a champion varsity squad next year because of the fine prospects on this year's team.

And we're still the Champions

When Coach Emily Pittman called out her girls for the first practice in November, the Raiderettes had high hopes of another successful season. With almost daily practice to put them in shape for the toughest competition in many a year and with several veterans and many newcomers, an outstanding team developed.

As a "warming-up" game the sextet first played the American Legionettes, a local independent team. In this game Suffolk scored 31 points to their opponents' 55.

The next five games were conference victories for the Raiders, including South Norfolk, Deep Creek, Portlock, Churchland, and Oceana. One of the unique features of this year's team was their ability to roll up the score in the last two quarters when they

were trailing behind at half time. However, they were not so lucky when they met Smithfield in a thrilling contest which resulted in the only defeat of the season for Suffolk, 44-38. All others with Kempsville, Franklin, Poquoson, Great Bridge, and South Norfolk were wins for the girls. In a game sponsored by the High School Key Club the students tied with the women faculty team 27-27.

Betty Ann Holland was again high scorer for the season with 258 points. This is her third straight year as high scorer for the girls' varsity team.

This championship team for District I Group II was captained by Barbara Hassen and managed by Nancy Speight, assisted by Virginia Mae Lovelace.

Here's proof positive that Birdsong can jump and get that ball back to the forwards. McClenny comes in fast and the ball game is on 'he way.

It's a mighty tense moment as this picture shows. Calm down, Miss Pittman; everything's gonna be all right. And we won the game!

And here's Angie as she proves that dynamite comes in small packages. You got a good grip on that ball, h'aintcha, Angie?

In the action shots, here, of our cracker-jack girls' team we see Dale Brothers going up after that ball. She got the ball, believe it or not.

Coch Fittman demonstrates to our "hot" forwards exactly how the ball should be handled. But something seems to be funny. What is it, girls? Could be, maybe, that basketball in general is just plain fun.

Basketball fans will recognize the "snowbirds" here. No, not Martha, Betty Ann, Marion, and Dale, but the type of shooting they're doing. Looks classy, huh? And it pays off in the big games.

Stretch, girls. Barbara jumps and the ball is ours. McClenny opens that mouth, Wiggins runs in and the play is completed. What a team, huh?

First Row, left to right: White, Burkett, Ellis, J.; Trump, Ellis, B.; Babb. **Second Row:** Culpepper, Cross, King, Wiggins, Rund'o, Topping, Piewes, Williams, Byrd, Bar-

row. Third Row: Higinbotham, Hopkins, Haslett, Cook, King, J.; Bradshaw, C.; Bradshaw, J.; Neims, Howell, Manager; Coach White.

Three strikes, and you're out!

The 1949 baseball season opened with eight lettermen returning to Captain Dick's championship team. With the outstanding pitching of Joe Wiggins and the co-operation of his fellow teammates, they began their 1949 campaign by defeating Maury High, 1-0. The next five games were victories for Suffolk High. Even though there were no outstanding hitters, we were able to shade South Norfolk 4-3. In the infield our team, led by Captain Jack King, shortstop, showed remarkable defense against their opponents. The last four games of the season were losses for the Suffolk nine. The students of S. H. S. were proud of the six wins out of ten games played by a team composed largely of newcomers to baseball.

Five veteran netmen returned to Miss Emily Pittman's tennis team this year and were soon augmented by several other interested volunteers.

The team, captained by Bobby Spivey, played to win, but because of their limited experience they were overcome in many of their matches by college B teams and Group I schools. Incidentally, Spivey, Suffolk High's number one man, was State Singles Champion.

Coach Pittman hopes that by the experience gained the team will have a more successful season next year, and we're looking for big things from Suffolk High School's Tennis Team!

Left to right: Coach Pittman, Spivey, Carver, Woraham, Little, Pond, Austin, Savedae, Smith, Williams, Manager.

First Row, left to right: Diamond, Manager; Poulson, Howell, Hines Harrell, Blanchard. **Second Row:** Diamond T.; Vail, Barnes, Sykes, Joyner, Matthews, Johnson, Coach Jones.

Break that tape!

With a really good nucleus to work with, "Cap'n Art's" track team again won the District I, Group II title.

They participated in three meets last year, a tri-angular meet in Portsmouth, the district meet in Williamsburg, and the state track meet in Charlottesville. At the Williamsburg meet, Suffolk High was mighty proud of Richard Sykes, who broke the 220 yard dash record and tied the 100, and Van Johnson, who won hurdle events with no before-hand practice. The crack relay team, Sykes, Hines, Johnson and Poulson turned in steady victories all season.

Suffolk Forever In Our Memories

Suffolk Forever

An Adaption from St.
John's College March

Music Arranged by
Dorothy Kirchmier

Thus the story of 1950 at Suffolk High has come to an end. It has been a grand year, filled with those things — many of which we have pictured here — that will cause S. H. S. to live on in our memories. Many years from now we shall still be singing "Suffolk Forever! Her Fame shall never die!"

These "left behind" football fans give the Red Raiders and the Band a big send off as they leave for the Harrisonburg game.

Every afternoon after school S. H. S. students rush to "Luck's" — the meeting place of every gang — to eat an ice cream cone and hear the latest gossip.

The band does its part in cheering for the Raiders at the thrilling Norview game.

Whoever would look this calm and composed at a football game but the faculty.

P-e-a-n-u-t-s! Ten cents! — a familiar yell heard at Peanut Park from the Seniors' concession stand.

Dear Martha,
and this so sad
fun for her years
isn't it? You've been
a wonderful friend, always
so - several and many times; certainly
I thank you for the money you've given me for the first month.
Do miss the old yard. I hope to see
you this summer for the first time.
He rather imprisoned a fellow and a fighter, but
I know you and Bobby will have a good time though!
what is love with out of everything in college
I wish you the sweetest and smart
and I know you'll have a pretty and many
as you are you'll have a good time though!
you maintain the high average remember
have here in school the "AP's" girls.
the fun we've had and the "AP's" girls.

 Dear Mr. Mr. Mr.,
 Best of luck. The
 school will send you
 next year without you
 Have a nice summer and
 Remember Jimmy
 "Love Jack always!"

Dear Martha,

These old high school days have finally come to an end. They have really been wonderful tho'. All of those basketball games and trips - especially when we were losing.

Well, I've been just raving - so best of luck always to a sweet person. Be good at R. M.

Love,
Nancy Spright

*Yesterday a promise...
today a fine diamond*

The diamond you give her is more than just a gift of the moment. It will be her lifetime treasure. Even though it may not be an expensive diamond you will want to be sure its quality is above question. Our genuine Orange Blossom rings are recognized nationally for their fine quality. You can choose with every assurance of complete satisfaction.

Martha, most things written in these annuals are very formal, but I want to leave out all formalities. When I say that you are "one of the best" it is really packed with true thoughts. I know you'll go for in everything and everywhere. So long to a fine girl.

Ben N.
